# Overview

We specialise in making teams stronger so that they achieve even higher outputs by working together more efficiently and effectively. We bond them by delivering innovative and structured programmes which develop problem solving skills, self confidence, communication skills and motivation. Your employees will also be challenged and have fun!

Operating since 2008, we have an array of diverse, yet targeted products, to support your organisation. All of our programmes will help engage and motivate your people!

Our experiential learning centre is the only indoor urban training centre of its kind. We have a 13 station aerial trek suspended over 35 feet from the ground, a high ropes training course as well as ground level challenges, including an assault course. We also have conference and meeting room facilities.

So do my people have to be fit to attend? Absolutely not. People of all ages, shapes and sizes have benefited from the Challenge 4 Change experience and nobody does anything they really don't want to do. However, you'd be surprised by how many people have a go at everything once they get the buzz in the centre and the encouragement and support of their colleagues. We have tremendous experience of working with people with disabilities and are a fully inclusive training centre.

We are also a registered charity, aimed at developing individuals with barriers and building stronger communities. Therefore, every corporate session booked with us helps pay for a community group to experience Challenge 4 Change.

# Benefits

# Our programmes

**We tailor our teambuilding programmes to your individual company needs.**

For instance, our 3 hour TEAM BUILD session at £45 per person + VAT bonds teams together, allowing them to gain skills to perform at high levels at relatively low cost whilst helping them to work better through shared experiences. Or try MEETINGS WITH A DIFFERENCE embedding your planned meetings with a series of activities of your choice to make it a day that will be remembered. Fantastic for regional or national sales meetings helping you to reach those goals and hit your targets. Benefits like room hire with free wifi, complimentary refreshments, stationery and parking are inclusive for all corporate bookings.

**We take the stress out of facilitating, so you can focus on reaching your potential!**
